Thesis	Thesis required courses without credits (capstone courses)			
Credits required for graduation from the Program	36 Credits			
Note	1. Elective professional courses, __2__ credits from other programs may be recognized with approval from the Program. 2. To be eligible for graduation, graduate students are required to meet the requirements set by the Department for “English Proficiency” and acquire a certificate of registered professional nurse, in addition to earning the required number of credits. 3. Students who are admitted to the Department with academic credentials of an equivalent educational level (e.g. five-year/two-year/three-year junior college programs) are required to take an additional 4 credits. 4. The Department may add or cancel courses to meet students’ needs.
