

I-SHOU UNIVERSITY

Department of Nursing

Curriculum for Master's Students Admitted in Academic Year 2022

Made in 2022/04/25

*** Credits required for graduation from the Program: 38, including:**

- I. Required professional courses: 29 credits, including academic + practical courses: 2 credits, academic courses: 15 credits, and practical courses: 6 credits, and independent Study courses: 6 credits
- II. Elective professional courses: 9 credits (Elective courses "Independent Study" will not be included.)
 1. Academic courses: 5 credits; taking 15 credits out of 5 credits
 2. Practical courses: 5 credits; taking 2 credits out of 2 credits;
 3. Other electives: 2 credits (2 credits from other programs may be recognized with approval from the Program)
- III. Thesis: required courses without credits (capstone courses)

Note: 1. The Department may add or cancel courses to meet students' needs.

2. Students who are admitted to the Department with academic credentials of an equivalent educational level (e.g. five-year/two-year/three-year junior college programs) are required to take an additional 4 credits.

3. To be eligible for graduation, graduate students are required to meet the requirements set by the Department for "English Proficiency" and acquire a certificate of registered professional nurse, in addition to earning the required number of credits.

First Year (2022)

Second Year (2023)

Category	Course Code	Course Title	1 st Semester	2 nd Semester	Required / Elective	Remark
Required Professional Courses	M52109	Application Biostatistics		3	Required	Academic
	M52106	Nursing Research	3		Required	Academic
